Greenbelt Monarch Habitat Volunteer Event

Let's make Riverside a Western Monarch haven!

Join us at the RCRCD Greenbelt Monarch Habitat project site! Volunteers are needed to help remove weeds, and plant native nectar plants. Your efforts will support the creation of monarch foraging and breeding habitat.

Please email the project coordinator to register as a volunteer.

All current Covid-19 guidelines will be followed.

Things to bring:

- Water
- Hat
- Gloves
- Sunscreen
- Sturdy shoes
- Hula hoe or other preferred weeding tools
- Trowel or small shovel
- Gardening kneeling pad recommended but not required
